- The official league night is Thursday. Snacks and food will be available after shooting with donations being accepted to cover costs. However, for convenience, if you can't make Thursday, a score can be posted until sunset the following Monday. (The next week's course will then be set sometime before 4:00 pm Thursday) Except for the weeks of 6-16, 7-21 and 8-4 when rounds must be posted by sunset Monday to give tournament directors time to set up for the 3D, Traditional and Vortex Open tournaments.
- Cost is \$7.00 per week for members and \$9.00 for non-members 16 and older. Archers 13 to 15 are \$4.00 per week. Archers 12 and under are free. There is a 2-week discount if you pay the full fee by the 3<sup>rd</sup> week. Sign up and payments can be made from Blackhawk's website using JotForm.
- There will be 16 targets per week, with adult and youth (beginner) / traditional distance markers. You may choose to shoot from either stake but if you start at the longer adult distance you can't move to the shorter distance stake, but can start at the shorter stake and then move back for more of a challenge. Scoring will be by handicap using averages, so all levels of archery proficiency have a chance to win. The 2 archer teams can consist of youth – youth, adult – adult or adult – youth. League fees also include one practice round, between scoring rounds, per week, then the \$5.00 fee will apply. The scoring round must be posted first.
- **Note: Non-league participants must pay \$5.00 to shoot a 3D round**
